

Good morning, Murphy Creek!

There will be a special Board Meeting on Monday, October 5, 2020 at 6:30 pm via Zoom. The limited purpose of the meeting is to discuss the court's findings and to strategize the District's response due to the limited window of time to respond.

The Board anticipates entering into Executive Session to discuss attorney-privileged matters for most of the meeting.

Register in advance for this webinar:

After registering, you will receive a confirmation email containing information about joining the webinar.

Thank you and have a wonderful weekend!

Shannon Torgerson, CMCA, AMS
Sr. District Manager
