

ConocoPhillips

# Open House

ConocoPhillips, an oil and gas company with operations in your area is committed to hearing and learning from residents, business leaders and other interested individuals. To continue this dialogue, we would like to invite you to join representatives from ConocoPhillips to discuss our activities in the Niobrara, including topics such as safety, water and traffic management, air quality, infrastructure, and responsible well site construction and operations. We want to understand what's on your mind and try to answer your questions. Our relationship with you, as our neighbors, is important to us, and we hope this gathering will provide an opportunity to share information and continue to build an effective, cooperative relationship together. We hope you will join us for some light refreshments and the opportunity to get to know one another better.

**When:** Wednesday, October 29, 2014 from 6:30 p.m. - 8:00 p.m.

**Where:** Murphy Creek Clubhouse, 1700 S. Old Tom Morris Rd., Aurora, CO

ConocoPhillips is the world's largest independent E&P Company based on production and proved reserves. For more information, go to [www.conocophillips.com](http://www.conocophillips.com).
