

ConocoPhillips Oil and Gas Wells Site Plans

NEIGHBORHOOD OPEN HOUSE

You are invited to attend an open house to discuss Site Plans for three development applications: Cherry Creek Vista 28-1H, Eastern Hills 17-18 -1H and Eastern Hills 17-18 2H. Cherry Creek Vista 28-1H is proposed in Section 28, south of Jewell Avenue, directly across from the existing Cottonwood Creek well site. Both Eastern Hills locations are proposed within Section 17, along the west side of Powhatan Road, south of the Adonea community. The purpose of the open house will be to discuss concerns the adjacent property owners and neighborhood organizations may have about these projects. The applicant (ConocoPhillips Company) will host this open house with various booths presenting information about the site plans and the operational activities, and to listen to your concerns.
